- b) When a position is changed to a new or different classification as a result of a job redesign, such that there is a significant and substantial change in the actual duties, responsibilities, nature, necessary employment standards and/or scope of the position, and;

PERSONNEL RULES

- 2) the new or different classification is assigned a salary range lower than the position's existing salary range, the incumbent may choose to retain the position by accepting a voluntary demotion, or accept a transfer to another position in the same class from which the initial position was reclassified, if available. If neither option is chosen, the normal lay-off procedures shall be followed.

The appropriate rules regarding probationary status and salary on promotion/demotion are applicable, and any such status and salary changes shall only become effective upon the effective date of the approved reclassification. (See also 4.2.5 and 4.2.6)

Rule 4 - COMPENSATION

4.1 PREPARATION OF PLAN

The Board of Supervisors shall adopt the County's compensation by resolution. The salary plan shall also contain designations of exempt and non-exempt employees pursuant to the Fair Labor Standards Act. The Board may modify this compensation plan by resolution as the Board deems necessary or by the County Administrative Officer with a properly executed Delegated Action Request (DAR).

Appointments may be made by the department at Step 4 or Step 5 with the advance approval of the Human Resources Director. Disagreement on Step 4 or Step 5 appointments shall be resolved by the CAO whose decision shall be binding. The Appointing Authority shall submit a recommendation for all such advance step appointment to the Human Resources Director.

In reviewing such requests, consideration will be given to unusually high qualifications of the proposed employee, the proposed employee's salary history, and the availability of qualified applicants.

PERSONNEL RULES

- b) Notwithstanding a) above, whenever the Board of Supervisors finds that a critical shortage of qualified personnel exists in a class with special skills, the Board of Supervisors may, by resolution, authorize that all new appointments to positions in this class be made at any step above the first step in the salary range for this class. In such cases, the Board of Supervisors shall, by resolution, advance all incumbents of positions in the same class who are earning less than the step at which new employees are to be employed to the same or a higher step. When such incumbent employees are advanced to the same or a higher step in the salary range they shall have a new salary anniversary date. The new salary anniversary date shall be the first day of the pay period following the effective date of the salary increase; provided, however, that if the salary increase is effective on the first working day of a pay period, the new salary anniversary date shall be the first day of that same pay period.
- c) When an Appointing Authority believes that the qualifications, education, previous training and experience of a returning Seasonal Employee justify a beginning salary in excess of the first step of the salary range the Appointing Authority may authorize appointment at Step 2.

4.2.3 Merit Salary Adjustments

Except for Extra-Help employees, employees in Flat Rate classifications, and employees in Salary Bands, employees may receive merit salary adjustments within the salary range applicable to their class. Adjustments shall not be automatic, but shall require the recommendation of the Department Head. Such recommendation shall be accompanied by a satisfactory performance evaluation.

Department Head recommendations for employee merit salary adjustments, including early or accelerated increases, shall be sent to the Human Resources Director, and thereupon forwarded to the County Auditor, at such time and in such a manner as may be prescribed by the Human Resources Director, and consistent with any performance evaluation reports as may be required.

Except as otherwise provided, salary anniversary dates, for purposes of this Rule, shall be determined as follows:

- e) The employee is assigned these duties for more than 30 calendar days.

PERSONNEL RULES

- b) The Department may request compensation by memo to the County Administrative Officer containing the following information:
 - 1) The conditions creating the need for requiring the employee to perform above class tasks.
 - 2) The tasks to be assigned to the employees and a brief explanation of why the tasks cannot be distributed to other staff.
 - 3) The expected duration of the above class assignment.

4.2.10 Salary for Part-time Employment

A work schedule of less than the number of hours of full-time employment (80 hours per pay period) shall be considered part-time employment. The compensation for part-time employment shall be pro-rated on an hourly basis, except for those positions for which the Board of Supervisors has established a special or flat rate of pay as full compensation for all services rendered regardless of the number of hours worked.

4.2.11 Special Salary Adjustments

Notwithstanding anything in this Rule to the contrary, in order to correct gross inequities, to reward outstanding achievement and performance, or for other reasons the County Administrative Officer may find justified, the County Administrative Officer may adjust the salary rate of an incumbent of a particular position to any step within the salary range for the class to which the position is allocated and the County Administrative Officer may change the employee's salary anniversary date.

4.2.12 Fees and Commissions

All fees, commissions, compensation and other items of value received, other than salary received from the County, by any employee of the County for services rendered in the official capacity of the employee, shall become the property of the County and shall be paid into the County Treasury at the time required by State law.

PERSONNEL RULES

4.2.13 Special Compensation Provisions

No employee who holds a full-time compensated position shall receive any compensation for any other additional services rendered to the County or for any services rendered to any other political subdivision or public agency, except as follows:

- a) Elected employees shall receive such additional compensation for additional services rendered by them as authorized by resolution or ordinance.
- b) When in the judgment of the Board of Supervisors it is necessary or desirable to utilize the services of a County employee in a capacity other than that in which the employee is regularly employed, the Board of Supervisors may, by resolution, authorize such additional employment and compensation therefore.
- c) The Human Resources Director may grant permission to an employee to perform services for compensation for another political subdivision or public agency pursuant to Personnel Rule 7, OUTSIDE EMPLOYMENT AND PROHIBITED ACTIVITIES.

4.2.13a Notwithstanding any other provision of these Rules, an employee who has been designated as exempt from the provisions of the Fair Labor Standards Act, shall be paid for a full day if the employee is absent for less than a full day. Nothing in this Rule shall relieve the employee from his obligation to obtain approval for any absence according to County and/or department policy. Nothing in this Rule shall be deemed, construed or interpreted to provide a defense to any employee who is disciplined for absence from work.

4.2.14 Payment of Salaries

- a) Except when an emergency as declared by the County Administrative Officer prevents the processing of payroll, the salaries of employees shall be paid on the second Tuesday following the end of the pay period for all services rendered during the applicable pay period; provided, however, if such Tuesday is a County holiday, then such salaries shall be paid on the preceding Monday unless the Monday is also a holiday in which case salaries shall be paid on the following Wednesday.
- b) Each Department Head shall submit a payroll and attendance report to the County Auditor for each pay period, in a form and at a time prescribed by the County Auditor. The Department Head who shall bear full responsibility for the accuracy thereof shall certify payroll documents as correct. Individuals shall be placed on the payroll by use of a personnel transaction form submitted to, and approved by, the Human Resources Director.

PERSONNEL RULES

4.3 OVERTIME

4.3.1 General Policy

It is the policy of the County to avoid overtime work whenever possible and Department Heads shall, insofar as possible, plan the work of their departments so as to avoid the need for overtime work.

4.3.2 Applicability of Fair Labor Standards Act (FLSA)

All overtime worked by employees covered by the Federal Fair Labor Standards Act (FLSA) shall be compensated pursuant to that act and any other applicable federal laws and regulations.

4.3.3 Overtime Hours

The term "overtime" as used in this section means time worked by an FLSA non-exempt employee in excess of forty (40) hours per week, or in the case of non-exempt uniformed Fire personnel, 53 hours per week averaged to a designated work period, except as otherwise provided by memorandum of understanding.

4.3.4 Compensatory Time-Off

The term "compensatory time-off" (CTO) as used in this section 4.3 means an approved paid leave of absence for accumulated overtime. Compensatory Time Off provisions shall only apply to an employee when provided for in his classification by Memorandum of Understanding or by resolution approved by the Board of Supervisors.

4.3.5 Overtime Authorization

The Department Head or his designee shall authorize and order an employee to work overtime before the employee works overtime. No employee shall work overtime without such advance authorization, unless prior authorization is not possible because of emergency conditions. In that case, the employee shall obtain a ratification of his overtime from the Department Head or his designee on the next regular business day after such overtime is performed.

4.3.6 Accounting for Overtime

- a) Each employee shall make a written report of all time worked and each department shall keep an accurate record of time worked by employees. No changes shall be made in the time worked as reported by the employee unless the proposed changes and the reasons therefore are first discussed with the employee by the Department Head. All time worked shall be reported to the County Auditor on the forms required by the Auditor.

PERSONNEL RULES

- b) All overtime worked will be rounded off to the nearest one-tenth (1/10) of an hour, and all overtime will be reported in hours and tenths.

4.3.7 Alternative Work Schedule

- a) Employees participating in an approved flexible working hours program, such as but not limited to a nine (9) hour work day for nine (9) days with a tenth (10) day off in a bi-weekly work cycle, shall be scheduled so that they do not accrue overtime as a result of their regular scheduling.
- b) Employees participating in an approved flexible working hours program shall be allowed to make up time lost within a designated work week with the approval of their supervisor. Upon request the supervisor will make known to the employee the reason for denying such request.

4.3.8 Exempt Employees

- a) Those positions either excluded from the FLSA or exempt from the overtime provisions of the act, or those persons designated by the Board of Supervisors as FLSA non-covered employees and, therefore as not entitled to compensatory time off (CTO) or overtime, shall not accumulate any compensatory time off nor overtime unless otherwise provided for in a Memorandum of Understanding or by resolution approved by the Board of Supervisors. As FLSA Exempt or excluded positions employees they shall devote the time necessary to fully perform their functions, whether it be more, or less than the normal workday and workweek for their position. Therefore, the provisions of this Rule with regard to accumulation of overtime, compensating time off, and payment for overtime are not applicable to such employees.
- b) Members of Boards and Commissions are not subject to the provisions of Section 4.3.
- c) Regardless of the provisions of this section 4.3.8, the Board of Supervisors may determine that special circumstances make it necessary that certain employees of certain departments be compensated for all overtime worked. In order to provide such compensation, a resolution must be adopted and appropriated funds must be available.
- d) Notwithstanding any other provision of these Rules, an employee who has been designated as exempt or excluded from the provisions of the Fair Labor Standards Act shall be paid for a full day if the employee is absent for less than a full day. Nothing in this Rule shall relieve the employee from his obligation to obtain approval for any absence according to County and/or department policy. Nothing in this Rule shall be deemed, construed or interpreted to provide a defense to any employee who is disciplined for absence from work.

PERSONNEL RULES

4.4 ON-CALL TIME

"On-call" time is the time during which an employee is required by the Department Head to be available to perform duties for the County in the event the need should arise and during which the employee for the County performs no actual duties. On-call time shall not be considered as hours worked by an employee under the provisions of Section 4.2 or any other portion of this Rule, unless, with regard to covered employees such on-call time is considered time worked within the applicable provisions of the Fair Labor Standards Act. The Board of Supervisors may, by resolution, authorize the payment to specified classes for on-call time at rates of pay which the Board of Supervisor deems appropriate. No on-call time compensation shall be paid to an employee for hours actually worked.

On-call compensation shall only be paid under the following conditions:

- a) In the appointing authority's judgment there is reasonable potential for the need of the employee's services.
- b) The appointing authority informs the employee designated for on-call service by written notice indicating dates and times of such service.
- c) The appointing authority will cause such on-call service time to be reported each pay period to the Auditor-Controller on the regular bi-weekly attendance report.
- d) As required by a Memorandum of Understanding or resolution of the Board of Supervisors for selected unrepresented employees.

Any employee who is not required to remain on the County premises, but is merely required to leave word at his home or with departmental officials where he may be reached is not working "on-call."

4.5 CALL BACK TIME

"Call Back" time is the required return to duty of an FLSA covered employee after the work day is completed to perform an emergency task. A qualified employee who is called back shall receive compensation for a minimum of two (2) hours straight time, unless otherwise provided by an MOU, regardless of the actual time required to perform the emergency task. In the event the task exceeds two (2) hours in duration, or 80 minutes if the applicable overtime rate is time and one-half, the total compensation shall be based on actual hours worked at either straight time or time and one-half if applicable.

4.6 SALARY FOR FORMER EMPLOYEES

- a) **RE-EMPLOYMENT:** An employee placed on a re-employment list may, within two (2) years after the date that the employee's name was placed on said list, be re-employed in a position in a different class at the same salary step that the employee was receiving at the time of lay-off. In addition,

PERSONNEL RULES

such a former employee may, within such two (2) year period, be re-employed in a position in a different class at a salary step within the assigned salary range nearest to, but not more than, the salary amount the employee was receiving at the time of lay-off.

- b) REINSTATEMENT: An employee who resigns from County employment may, within two (2) years, be reinstated in a position in the same class at a step in the salary range which is the same salary step that the employee was receiving at the time of resignation. In addition, such a former employee may, within such two (2) year period, be reinstated in a position with similar minimum qualifications in the same class at a salary step within the assigned salary range which is nearest to one (1) step lower than the salary step that the employee was receiving at the time of resignation. The Appointing Authority may, upon submitting a declaration to the Human Resources Director that the position is critical and the employee brings essential skills, reinstate the employee at his prior salary step.
- c) REHIRE: A former employee who returns to County service in a position which they never held status.

PERSONNEL RULES

RULE 5 - RECRUITMENT AND SELECTION

5.1 RECRUITMENT AND SELECTION PROCEDURES

The methods used in the recruitment and selection of County employees shall be competitive, impartial, and of a relevant nature so as to fairly measure the relative capacity of applicants to execute the duties and responsibilities of the position to which they seek appointment. All vacancies in the County service shall be filled as provided in the Rules. The primary methods for filling vacancies will be through the use of Open, Promotional and Continuous recruiting processes. When available, positions may be filled by using current and former employees whose names appear on re-employment, reinstatement and transfer employment lists. Appointments shall be made with the objective of obtaining the best qualified person or persons available who, in the judgment of the Appointing Authority, will best meet the needs of the Department. Accommodations are priority placements and will supersede these recruitment and selection processes. Positions in the non-competitive and At-will service shall not be subject to the provisions of this rule.

5.2 RECRUITMENTS

5.2.1 Recruitments may include any of the selection techniques mentioned in Rule 5 of this Rule, or any combination of them. The recruitment type, its timing, and the testing used to determine the most qualified candidates is at the sole discretion of the Human Resources Director. Eligibles shall be placed on employment lists, and shall remain on such lists, as prescribed in this Rule.

5.2.2 Open Recruitments

Open recruitments are general recruitments for which any person meeting the minimum qualifications for the class may apply.

5.2.3 Promotional Recruitments

Promotional recruitments are limited recruitments for which any current employee of the County holding regular or probationary status and meeting the minimum qualifications for the class may apply.

5.2.4 Continuous Recruitments

Continuous recruitments have no fixed closing date. They are general recruitments for which any person meeting the minimum qualifications may apply.

5.2.5 Participation of County Employees

County employees who hold regular or probationary status shall be granted reasonable and sufficient release time, with pay, from duties to participate in County recruitment and selection processes, including testing and interviewing.

PERSONNEL RULES

5.3 APPLICATIONS AND APPLICANTS

5.3.1 Announcements

All recruitments shall be publicized in the Human Resources & Development Department and at other County work sites and by such methods as the Human Resources Director deems appropriate. Special recruiting efforts shall be conducted, if necessary, to insure that all segments of the community are aware of recruitments. Publicized announcements shall include:

- a) A description of the duties and responsibilities of the class;
- b) necessary, and any additional desirable employment standards;
- c) compensation; and,
- d) information concerning the time and location for filing applications.

5.3.2 Application Forms

Applications shall be submitted as prescribed on the recruitment announcement in a form and/or format that is acceptable to the Human Resources Director. Application forms shall require information covering training, experience, and other pertinent information. The person applying unless submitted by on-line methods must sign all applications. On line applications shall be subject to subsequent attestation of the truth and accuracy of the representations made. Completed applications become the property of the County and shall not be returned to the individual. Names of persons applying for County positions and/or information regarding their performance in any selection process shall remain confidential information to the Human Resources & Development Department, except as required by law or legal process.

5.3.3 Disqualification

The Human Resources Director may reject any application, which indicates on its face that the applicant does not meet the necessary employment standards required for the position. Applications may also be rejected if the applicant:

- a) has made a false statement or misrepresentation of material fact.
- b) has improperly used or attempted to use any personal or political influence to further their eligibility for appointment.
- c) has failed to submit an application correctly or within the prescribed time limit.
- d) has been convicted of a crime relative to the duties of the position.
- e) has resigned from the County service not in good standing, has been discharged for cause, or has abandoned any position in the County service.

PERSONNEL RULES

Whenever an application is rejected, notice of such rejection with statement of reason shall be given to the applicant by the Human Resources Department.

5.3.4 Applicant Appeal

Applicants may appeal their disqualification to the Human Resources Director within (5) five business days of notification. The appeal must be made on forms designated by the Human Resources Manager. The decision of the Human Resources Manager may be appealed to the Human Resources Director. The appeal process will not delay or suspend the recruitment or selection process.

5.3.5 Background Investigation

The Human Resources Director or Appointing Authority may conduct such investigation of the applicant's training and experience, and job related mental, physical and personal fitness as may be necessary to verify and clarify statements contained in the application.

5.4 EXAMINATIONS

5.4.1 Nature and Type of Examinations

Examinations shall consist of selection techniques which, in the opinion of the Human Resources Director, will test fairly the qualifications of applicants, and may include but are not necessarily limited to, resume review, application and supplemental application review, written exams, oral exams, personal interviews, performance tests, physical agility tests, medical examinations, psychological evaluations, evaluations of driving records, or any combination of these or other tests. Examinations shall be designed to provide equal opportunity to all candidates by being based on the essential requirements of the class and covering factors related to such requirements. In instances where the qualified applicant pool for a classification is limited, and the needs of the County are great, the Human Resources Director may, at his sole discretion, establish an unassembled employment list. The unassembled employment list will consist of all qualified applicants who meet the necessary employment standards.

5.4.2 Scoring Examinations and Qualifying Scores

A candidate's score in a given examination shall be the total of his scores on each competitive part of the examination on which he qualified. The Human Resources Director may, at his direction, include as a part of the examination, tests which are qualifying only.

5.4.3 Notification and Review of Examination Results

Except as set forth below, each candidate who takes an examination shall be given written notice of the results thereof, and if successful, of his final earned score and rank on the employment list.

PERSONNEL RULES

Any candidate shall have the right to inspect his own examination answer sheets within five (5) working days after the notices of examination results are mailed. Oral exam rating sheets, test booklets, and related examination materials are not open to candidate inspection. Any error in computation, if appealed to the Human Resources Director within this period, shall be corrected. Such corrections shall not, however, invalidate appointments previously made.

5.4.4 Examination Security

No communication between applicants during an examination will be permitted. No applicants may have in their possession material which would give unfair advantage during the examination. Copying or collusion shall be grounds for disqualification. Examination materials shall not be removed by applicants from the examination area.

5.4.5 Applicant Identity

Photographic identification with a signature may be used as a positive means of identifying applicants.

5.5 EMPLOYMENT LISTS

5.5.1 Preparation and Availability

As soon as possible after the completion of a recruitment and/or examination, the Human Resources Director shall prepare and keep available one or more of the following employment lists: Open, Promotional, or Continuous.

An employment list consisting of the names of eligibles who qualified in the selection process, arranged in order of final scores, from the highest to the lowest qualifying score.

Following the completion of an open, promotional or continuous recruitment, the Human Resources Director may direct the establishment of an employment list without the use of an examination process. This type of employment will consist of all applicants who meet the necessary employment standards for the classification and will be referred to as unassembled. The establishment of an unassembled employment list is appropriate when the number of qualified applicants is either too limited, the number of vacancies too great, or the needs of the county so urgent that it would not justify the delay or expenditure of resources.

5.5.2 The Human Resources Director will maintain the following types of employment lists:

5.5.2.1 Open Employment Lists

A list of names of applicants who have taken an open-competitive examination for a class in the competitive service and have qualified for appointment.

PERSONNEL RULES

5.5.2.2 Promotional Employment Lists

A list of current employees who have taken a promotional examination for a class in the competitive service and have qualified for appointment.

5.5.2.3 Re-employment Lists

The names of probationary and regular employees who have been laid-off shall be placed on appropriate re-employment lists in accordance with Rule 11. Such names shall remain thereon for a period of two (2) years unless such persons are sooner re-employed in the same class or a lower class within the class series from which they were laid off, or such persons refuse two (2) offers of re-employment or as provided for in 5.5.6. When a re-employment list is to be used to fill vacancies, the Human Resources Director shall certify all of the names on the list for consideration by the Appointing Authority.

5.5.2.4 Transfer Lists

The names of probationary and regular employees who have requested a transfer in their current classification shall be placed on appropriate transfer lists. Such names shall remain on the transfer list for the shorter of a period of one (1) year or five referrals. The top two names on the transfer list, as determined by approval date, will automatically be referred to departments, in addition to referrals from other employment lists except reemployment. In addition to the top two names from the transfer list, the appointing authority may request more names from this list.

5.5.2.5 Reinstatement Lists

The names of qualified former employees or former incumbents in the classification who have requested reinstatement into the classification shall be placed on appropriate reinstatement lists. Such names shall remain on the reinstatement list for the shorter of a period of one (1) year or five referrals. The top two names on the reinstatement list, as determined by approval date, will automatically be referred to departments, in addition to referrals from other employment lists except re-employment. In addition to the top two names from the reinstatement list, the appointing authority may request more names from this list.

5.5.3 Duration of Lists

Employment lists, established through the Open, Promotional or Continuous recruitment processes will remain in effect for six (6) months, unless sooner exhausted or abolished by the Human Resources Director, or else provided by an

PERSONNEL RULES

MOU. Employment lists may be extended, by action of the Human Resources Director for additional periods, but in no event shall an employment list remain in effect for more than (2) two years.

5.5.4 Removal of Names From List

Except as otherwise provided in these Rules the Human Resources Director may remove the name of any person appearing on an employment list:

- a) if the eligible requests in writing that his name be removed;
- b) if the eligible fails to respond to a notice of certification mailed to his last known address;
- c) for any cause in these Rules deemed sufficient for disqualification of application or dismissal from the County service.
- d) if five (5) certifications for appointment have failed to result in selection and appointment unless additional certifications are authorized by the Human Resources Director; (Upon request of the Appointing Authority more certifications may allowed.)
- e) if the eligible has received appointment to a position in the class for which the employment list was established,
- f) if the person has received regular appointment to a higher level class in the same class series for which the employment list was established.
- g) if eligibles on a promotional or transfer list are separated from County service their names shall be removed from that list.
- h) failure to appear at work on the scheduled hire date.

5.5.5 Revision of Employment Lists

Whenever it becomes evident that an error or mistake has occurred in the preparation of a list or certification the Human Resources Director shall revise the list, placing the eligibles in the proper order to correct the error. If a name has been improperly omitted from or included in the list, the correction may be made in the same manner. If appointment(s) have been made from the employment list before an error is discovered, revision of the list to correct this error shall not affect appointments previously made unless the error is a result of fraud.

PERSONNEL RULES

5.5.6 Inactive Status

Upon written request, an eligible may request inactive status from an employment list once during the life of any one list, provided, however, that upon again becoming an active eligible the person may not claim eligibility for any position to which certification or appointment has been made during the period when the person's name was inactive.

5.6 METHODS OF FILLING VACANCIES

5.6.1 Notice to Human Resources Director

Whenever a vacancy is to be filled, the Department Head shall notify the Human Resources Director in the manner prescribed.

5.6.2 Types of Appointments

All vacancies in the competitive service shall be filled by eligibles certified by the Human Resources Director from an appropriate employment list.

Vacancies in the Project Service (limited term) may be filled from any available employment list for the classification.

Regular and Probationary Appointments

The Appointing Authority shall make appointments from among those certified, and shall immediately notify the Human Resources Director of the person(s) appointed in the manner specified. The person accepting the appointment shall present himself to the Human Resources Director, for processing on or before the date of appointment.

Temporary Appointment

Positions, which are temporarily vacant due to an unpaid leave of absence, may be filled on a temporary basis. A temporary appointee must be a current regular or probationary employee and meet the necessary employment standards for the class. If the regular employee does not return from the leave of absence, the position shall be filled from a regularly established employment list. If the temporary appointment was made from an existing employment list, the temporary appointee may retain the position and will receive credit toward the required probationary period, provided there was no break in service. A temporary appointment of an employee, who has regular status in a position in the competitive service, to a position with a higher compensation level shall not jeopardize that employee's status in his regular position while serving in the temporary status. Compensation for a temporary appointment shall be handled in accordance with Rule 4 Compensation.

PERSONNEL RULES

Emergency Appointments

Whenever in the judgment of the Board of Supervisors it is necessary for the expeditious transaction of business for any County department to employ a person on an emergency basis, the Board of Supervisors may, by resolution, authorize such employment and limit the period of time during which the position will be allowed on an emergency basis. Emergency situations shall be defined as situations where there is a threatened interruption of essential County services and immediate action is necessary.

Provisional Appointments

In the absence of there being an appropriate employment list, a provisional appointment may be made by the Appointing Authority with the approval of the Human Resources Director, of a current employee meeting the necessary employment standards for the class. A provisional employee may be employed as such for up to six (6) months duration. The Appointing Authority, with the approval of the Human Resources Director, may extend the period for any provisional appointment for not more than one (1) additional six (6) month period. A provisional appointment shall be deemed a continuing request for certification. A provisional employee appointed to the same position shall receive credit towards the required probationary period, for that time spent in a provisional status, if there is no break in service. A provisional appointment of an employee, who has regular status in a position in the competitive service, to a position with a higher compensation level shall not jeopardize that employee's status in his regular position while serving in the provisional status.

Extra Help Appointments

All Extra Help appointments will meet the necessary employment standards for the classification. The appointment of an Extra Help employee may be made from a competitive employment list; however, such appointment will not confer property rights to the extra help employee.

5.6.3 Certification of Eligibles

With the exception of Reemployments list, when more than one (1) employment list is in existence for a class, certification shall be made in the following order from one or more of the following lists, provided eligibles are available:

Re-employment List:

The re-employment list for any given class shall be certified to an Appointing Authority for consideration before any other employment lists for the class.

The names of probationary and regular employees who have been laid-off shall be placed on appropriate re-employment lists in accordance with Rule 11. Such names shall remain thereon for a period of two (2) years unless such persons are sooner re-employed in the same class or a lower class within the class series from which they were laid off, or such persons refuse two (2) offers of re-employment or as

PERSONNEL RULES

provided for in 5.5.6. When a re-employment list is to be used to fill vacancies, the Human Resources Director shall certify all of the names on the list for consideration by the Appointing Authority.

Reinstatement List:

In addition, the first two (2) names requesting reinstatement, as determined by approval date, shall be added, if available. The Appointing Authority shall be certified, on request, the entire Reinstatement list in lieu of, or in addition to, an Open or a Promotional employment list.

Transfer Lists

In addition, the first two (2) names requesting transfer, as determined by approval date, shall be added, if available. The entire list shall be certified to the Appointing Authority upon request. The Human Resources Department may add names to the transfer list certified to departments in an effort to provide a reasonable accommodation.

Open/Promotional Employment List:

Except as provided above, the top five (5) ranks appearing on the Open employment list or Promotional employment list shall be certified for each vacancy. In the case of multiple vacancies, the number of eligibles certified shall be four (4) ranks plus the number of vacancies. When the score of the final eligible on the specified employment list is tied with other eligibles, all those on such list having that score shall be certified.

Whenever there are fewer than five (5) ranks of individuals willing to accept appointment on a Promotional employment list or on an Open employment list, the Appointing Authority may make an appointment from among such eligibles or may request the Human Resources Director to establish a new list. When so requested, the Human Resources Director shall conduct a new recruitment and establish a new employment list.

When no employment list for a specified class exists, certification may be made from a list established for a class of the same or higher level in the same or similar class.

5.7 VETERANS PREFERENCE

5.7.1 Definition

For the purposes of this rule, a veteran is one who has served on active duty in the United States armed forces for a period of at least 91 continuous days and who has received an honorable discharge from active duty. The definition of the term "veteran" as used in this rule shall not include reserve or other inactive service.

PERSONNEL RULES

5.7.2 Applicability

Veteran's preference is allowed only on initial entrance into County service. The exercise of veteran's preference shall be exhausted upon regular or probationary appointment to a position from an employment list. The application of veteran's preference on any other recruitment, employment list, and/or certification shall be canceled upon hiring of the veteran into the competitive service.

5.7.3 Competitive Service Appointment

Military veterans shall be given preference in initial appointment in competitive service classifications. To receive veteran's preference, the veteran must meet the necessary employment standards established for the classification, participate in all examination processes, and attain a passing score in each phase of the examination.

5.7.4 Non Competitive Service Appointment

This rule does not apply to job classifications in the non competitive service.

5.7.5 Eligibility for Veteran's Preference

To claim veteran's preference an applicant must apply in the space provided on the application form and submit their most recent form, DD214, or equivalent document acceptable to the Human Resources Department, as evidence of military service on or before the final filing date for the recruitment. Veteran's preference must be established separately for each recruitment. Failure to request veteran's preference on the application or to submit the required credentials (DD-214) prior to the final filing date for the recruitment will be deemed a waiver of veteran's preference.

Veterans who are in the process of separation from military service may file a written statement showing the anticipated date of discharge and certifying that the discharge is for honorable reasons. Such statement must be filed no later than the final filing date for the recruitment. A veteran filing a statement in this manner shall be entitled to veteran's preference pursuant to this rule only if Form DD214 or other satisfactory proof of discharge is filed with the Human Resources Department prior to the date of certification for appointment. Until such proof is filed, the veteran's position on the employment list for certification purposes shall be determined on the basis of the veteran's score on the examination without the veteran's preference.

5.7.6 Employment Lists

Employment lists and ranking will be established based on each applicant's individual earned score in the examination process. Applicants who receive a final passing score on an open recruitment and who are eligible veterans, shall receive an additional 5% of the earned score for certification purposes.

5.7.7 Certification

Departments will be certified the top five ranks in accordance with Personnel Rule 5. In addition, at the time of certification, if an eligible veteran's earned score plus 5% places the eligible veteran in the top five ranks, the eligible veteran will be added to the certification. No score shall actually be changed and no new ranking created as a result of the application of veteran's preference.

PERSONNEL RULES

RULE 6 - ATTENDANCE AND LEAVES

6.1 APPLICATION

Except as otherwise provided in a particular section of this Rule, the applicability of Rule 6 is governed by Rule 1.3. In addition, Rule 6 shall apply to all positions in the Non-Competitive service with the exception of the following.

- a) An employee shall not use accrued vacation credits to extend his separation date.

6.8.8 Vacation Donation

County employees will be able to donate vacation time to a regular employee, hereinafter referred to as recipient, provided:

- a) The recipient, or a member of his immediate family as defined in Personnel Rule 6.7.4 c) and for whom the recipient is responsible, experiences a catastrophic and/or serious chronic illness or injury which requires the recipient to be absent from work over an extended period time, and,
- b) The recipient has exhausted, or will soon exhaust, all accrued balances (sick leave, vacation and CTO), and,
- c) The recipient has agreed to accept the donation, if approved.
- d) An employee will not be eligible for the Vacation Donation program if he is receiving Workers Compensation or 4850 payments.

PERSONNEL RULES

- e) The character of the leave shall be changed from vacation (donor) to sick leave (recipient) upon transfer of the hours.

For purposes of this policy, a "catastrophic illness or injury" is defined to include an illness or injury which is monumental, unusual, unexpected, immediate in nature, life threatening or debilitating and which incapacitates the employee or a member of his immediate family and which creates a financial hardship for the employee because he has exhausted all of their paid leave balances.

All persons who coordinate the contribution of vacation must emphasize the voluntary nature of the contribution. The distribution and collection of pledge forms must also be done in a way as to insure confidentiality for the donors. The names of donors will not be made available to the recipient unless the donor requests otherwise.

Procedure:

- 1) Requests will be made to the Human Resources Director. The Human Resources Director will provide forms for the recipient's department head to confirm the potential recipient's leave balances and evaluate the request against the vacation donation criteria. The Human Resources Director will make a determination as to whether or not the request qualifies under this policy. Verification of the nature of the catastrophic illness or injury or medical emergency may be required.
- 2) If the recipient is dissatisfied with the Human Resources Director's determination, a second review may be requested by the recipient. The second review will be made by the County Administrative Officer whose decision is final and not appealable.
- 3) Donation pledge forms will be made available in the department for a designated period of time. The donation forms will include a statement informing the potential donor that all donations may be irrevocable once they are credited to the recipient. Donations must be made at a minimum of eight (8) hours and in whole hour increments thereafter. Donations must specify the intended recipient.
- 4) Once the completed donation forms are returned to the department, the department payroll clerk will:
 - A. Log in each donation and assign a number based on when it is received, i.e. first donation is #1, etc.
 - B. Verify that each donor has enough vacation to cover the amount of the donation. The donor must have a sufficient leave balance on the books at the time the donation form is submitted. If the donor does not have a sufficient balance, the donation will not be processed and the donation form will be returned to the donor.
 - C. Deduct the donated vacation from the donor's vacation balance.
 - D. If the recipient is in a department different from the donor, the donor's payroll clerk

PERSONNEL RULES

will then send the donation pledge form to the recipient's department payroll clerk for processing.

- 5) After the recipient has exhausted all of his/her own paid leave balances, donations will be processed and credited to the recipient in numerical order until there are enough donated hours to make up a full pay period of hours, i.e. 80 hours for a full time employee, 40 hours for a half time employee, etc. Donations shall be on an hour for hour basis, i.e. for each hour of vacation donated the recipient will receive one hour of sick leave. Donations received but not credited for this pay period will be held to be used in future pay periods. This process will be repeated each pay period until the recipient's status changes so that he/she is no longer eligible for vacation donation or if the recipient has received 12 months of vacation donations during their tenure with the County, whichever occurs first.
- 6) Each pay period the payroll clerk will add the appropriate number of hours to the recipient's Sick balance. Payments will be made to the recipient based on the normal payroll schedule at the recipient's regular biweekly salary.
- 7) When the event that caused the need for the Vacation Donation program is concluded or resolved, any remaining un-credited donations will not be processed and the donation form and credits will be returned to the donor(s) and restored to his/her vacation balance(s).
- 8) A recipient may only be on the Vacation Donation program and receive donations that total a maximum of twelve (12) months during their tenure with the County.
- 9) The County will immediately investigate any allegation of coercion or pressure in the solicitation of transfers for Vacation Donation and take appropriate action.

6.9.2 Administrative Leave

Under the provisions of Rule 12.5.A, the Appointing Authority may place an employee on Administrative Leave with Pay during an investigation whenever the Appointing Authority deems it necessary in order to conduct an orderly

This procedure shall apply regardless of the cause of the disability or medical condition.

PERSONNEL RULES

Absent an agreement on repayment, the matter shall be submitted for a local agency administrative appeals remedy that includes an independent level of resolution to determine a reasonable repayment plan. If repayment is not made according to the repayment plan, the local agency may take reasonable steps, including litigation, to recover the payments advanced.

The re-employment list for any given class shall be certified to an Appointing Authority for consideration before any other employment lists for the class. When a person is re-employed within two years the time away from work shall be treated as an unpaid leave of absence except that vacation and compensating time off that were converted to cash shall not be restored.

11.2.7 Lay-Off Notice

Employees in the competitive service subject to lay-off shall receive a thirty (30) day notice from their Department Head. Lay-off notice to Project Service employees may be less than thirty (30) days if the funding source does not give sufficient notice of termination of funds. PERSONNEL RULES

PERSONNEL RULES

12.3 TYPES OF DISCIPLINARY ACTION

The purpose of disciplinary action is to correct deficiencies in employee performance, to assure improvement to meet appropriate standards, to correct for violation of these Rules, and/or, in appropriate cases, to remove an employee from the County service.

Disciplinary actions which may be imposed may include, without limitation, one or more of the actions listed below. In addition to or in lieu of such disciplinary actions, the appointing authority may direct the employee to undergo training, may reassign an employee, and may require that an employee receive counseling.

A. Formal Written Reprimand

When the Department Head or immediate supervisor determines more severe action is not immediately necessary, the Department Head may in writing communicate to the employee the deficiency or problem observed. A copy, and the employee's response, if any, shall be filed in the employee's personnel file after a copy has been given to the employee and the employee has acknowledged receipt of same. Failure to correct deficiencies and improve to meet the standards may result in further discipline including suspension, reduction in pay, demotion, and/or discharge.

B. Suspension

A Department Head may suspend an employee for cause and without pay after the appropriate disciplinary proceedings.

Fair Labor Standards Act (FLSA) exempt employees shall not be subject to a suspension of less than a full work day. The only exception is for infractions of safety rules of major significance.

1. Investigative Suspension / Administrative Leave

The Department Head may verbally or in writing, authorize immediate suspension or administrative leave with pay pending the determination of whether disciplinary action shall be taken against the employee in an emergency situation or when the seriousness of the matter warrants.

If verbal, the suspension shall be confirmed in writing within five (5) days from the effective date.

C. Demotion

1. Reduction-in-Class

A Department Head may demote an employee for cause to a lower level classification as a disciplinary action.

2. Reassignment with Loss of Pay

The reassignment of an employee out of a special assignment that

PERSONNEL RULES

happens to qualify him/her for additional pay into an assignment in the same classification that does not qualify for additional pay is not a disciplinary demotion. Such reassignment may only be addressed through the grievance procedure, Rule No. 13.

3. Reduction-in-Pay

A Department Head may reduce an employee's pay for cause to a lower step or range as a disciplinary action. Highly compensated FLSA exempt employees shall be subject to reductions in pay. Non-highly compensated FLSA exempt employees shall not be subject to a reduction in pay except for infractions of safety rules of major significance.

Reductions are accomplished by temporarily withdrawing merit increase steps. For example, if the employee is at Step 4, reducing him or her to Step 3 for two pay periods has the same salary impact as a one-day suspension.

Table of Suspension Equivalents

1 day	1 step for two pay periods
2 days	1 step for four pay periods, or 2 steps for two pay periods
3 days	1 step for six pay periods, or 2 steps for three pay periods
4 days	1 step for eight pay periods, or 2 steps for four pay periods
1 week	1 step for ten pay periods, or 2 steps for five pay periods, or
2 weeks	1 step for twenty pay periods, or 2 steps for ten pay periods

Fire personnel assigned to 56 hour per week shifts shall have the table of suspension equivalents computed such that a 5% step reduction for 224 hours worked is equal to 11.2 hours of a suspension and multiples thereof for each 11.2 hours of suspension.

D. Discharge of Regular Employees

A regular employee may be discharged by the employee's appointing authority for cause. Regular employees shall be discharged only after the appropriate dismissal proceedings. The Appointing Authority may suspend the employee immediately, as provided in Rule 12.3.2, pending the proper dismissal process. Prompt dismissal processing shall follow.

E. Discharge of Probationary and At-Will Employees

Probationary employees and non-competitive at-will position incumbents may be discharged by the appointing authority without cause.

PERSONNEL RULES

12.4 DISCIPLINARY PROCEDURES

Whenever any of the actions specified in Rule 12.3 (with the exception of 12.3.E) are to be taken, the Department Head shall notify the Human Resources Director, in a manner specified by the Human Resources Director. The Human Resources Director shall be responsible for determining that the process outlined in Section 12.5 of this Rule is followed, and that the action to be taken is in accordance with the provisions of these Rules, as appropriate. The Human Resources Director may enlist the services of County Counsel as he/she deems necessary.

12.5 DISCIPLINARY PROCESS

A. Administrative Leave

The Appointing Authority may place an employee on Administrative Leave during an investigation whenever the Appointing Authority deems it necessary in order to conduct an orderly investigation, to protect and preserve possible evidence, to avoid intimidation or coercion of potential witnesses and/or to protect the property and systems of the County. Such leave shall be with pay and shall not be charged against any of the employee's leave balances. The employee shall continue to accrue vacation and sick leave as well as service credit while on Administrative Leave as if he/she were working. An Administrative Leave is not a disciplinary action. An Administrative Leave may not be appealed nor may it be grieved.

During an Administrative Leave an employee may be required to:

1. Turn in county equipment, credit cards and keys,
2. Stay out of department sites and facilities except for those areas open to the general public,
3. Provide a phone number where you can be reached during normal business hours,
4. Be available to return to work on the work day following notice,
5. Refrain from accessing County email, telephone and/or computer systems that are not open to the general public.
6. Refrain from contacting clients, employees or officials of the County on business related issues or regarding the issues and charges of this disciplinary action,
7. Call in each work day during a time frame specified by the department.

B. Notice of Proposed Disciplinary Action

Except in cases of emergency or when immediate action is required, notice of proposed disciplinary action shall be given by the Department Head to the affected employee in a manner specified by the Human Resources Director. Appropriate notices for the various stages of the disciplinary action shall be developed in accordance with State law. At a minimum, each notice will contain:

1. Name, Class Title, and Department of employee being disciplined
2. Date on which the notice is being served.
3. The type of discipline being proposed. If a suspension, the length of the suspension in work days.
4. The causes from this rule under which the employee is being charged.

PERSONNEL RULES

5. The acts and/or omissions upon which the cited causes are based. Each act or omission may be stated in terms of the specific disciplinary action that it alone would support.
6. A statement that copies of the documents giving rise to this action are attached to the Notice or will be provided upon request.
7. Notice of the employee's right to a Skelly review.
8. The name, title and signature of the Department Head issuing the Notice.
9. A service block with the name and signature of the person serving the Notice on the employee along with the date and method of service.
10. A receipt block wherein the employee shall sign to acknowledge receipt of the Notice. This block shall include the statement, *"MY SIGNATURE DOES NOT MEAN I AGREE WITH THIS ACTION."*
11. A copy of this Rule shall be given the employee along with this Notice.

Failure or refusal by the employee to sign acknowledging receipt of the Notice shall not invalidate or delay the disciplinary action. Should an employee refuse to sign, the server and a witness will sign the Notice and add the phrase, "Employee refuses to sign."

The Notice of Proposed Action shall be reviewed by County Counsel prior to service to ensure it complies with current law. In cases of emergency or when immediate action is required, the affected employee shall be verbally informed of the reasons for the immediate action and shall be served with a written Notice of Proposed Disciplinary Action within five (5) working days of the effective date.

C. Employee Right to Respond (Commonly called the Skelly Review)

Except as otherwise provided by a Memorandum of Understanding, the following shall apply;

At any time prior to the effective date, the employee subject to the proposed discipline may respond in writing to rebut the charges against him/her, or to state any mitigating circumstances.

The Appointing Authority will conduct this review and will review the written record, including written statements and documents presented by the employee, discuss the proposed discipline with supervisory or management personnel who have initiated the proposed distinguishing action, and determine whether the proposed action should be made final, should be modified to a lesser penalty, or should be withdrawn. While conducting his review, the Appointing Authority may meet with the employee and his/her representative and anyone else the Appointing Authority may deem appropriate to his review. The decision of the Appointing Authority is binding.

When in the judgment of the Human Resources Director the appointing authority has been privy to the detailed basis for the proposed discipline, the Human Resources Director may require a substitute Skelly Officer such as the Assistant County Administrative Officer or similar managerial position.

This review request to the Appointing Authority, if sought by the employee, shall be completed prior to the imposition of the proposed discipline.

PERSONNEL RULES

Time Within Which Review Must Be Requested: An employee who wishes to request a review of the proposed action must respond in writing to the charges to rebut or present mitigating circumstances within the time set forth in the notice of proposed discipline. The response and review request of the employee shall be made to the Appointing Authority. The written response must be actually received in the Appointing Authority's office prior to the expiration of the time stated in the notice of the proposed discipline. The date stamp on that response shall be considered the date it was received by the Appointing Authority. The failure of the employee to timely request a review waives the right of review and the Appointing Authority shall be free to impose the discipline as proposed.

The Nature of the Appeal Review: The Appointing Authority will review the employee's response, the written record, including documents presented by the employee, discuss the proposed discipline with the involved human resources staff, and may make further inquiries for the purpose of determining whether the proposed action should be made final, or should be modified to a lesser penalty, or should be withdrawn.

The Post-Review Decision: The Appointing Authority will communicate his/her decision in writing to the employee. The decision of the Appointing Authority shall be final and binding on the County and the employee. The Appointing Authority shall then promptly serve the employee with a final notice of the discipline to be imposed.

D. Final Notice of Disciplinary Action

Following issuance of the decision from the above review, the appointing authority shall prepare a Final Notice of Disciplinary Action which shall include the information provided in the Proposed Notice updated and/or adjusted to reflect the results of the above Appointing Authority review in a manner as prescribed by the Human Resources Director, or shall advise the Human Resources Director that no action will be taken, as appropriate. The notice shall be delivered to the employee, and a copy filed with the Human Resources Director before the effective date.

12.6 APPEAL OF A DISCIPLINARY ACTION

Except as required by law (as in the case of POBOR or FOBOR covered employees) or Memorandum of Understanding:

A) Disciplinary actions consisting of a Formal Written Reprimand; Suspensions of 5 (five) days or less; Reductions in pay of five (5) days or less shall not be subject to appeal.

B) Disciplinary actions of Suspensions of six (6) days or more; Reductions in pay of six (6) days or more, Demotions; or Dismissals, shall be subject to appeal, per rule 12.7 "Notice of Appeal" below.

PERSONNEL RULES

12.7 NOTICE OF APPEAL

Except as otherwise provided by a Memorandum of Understanding, an employee may file a written Notice of Appeal in response to Final Notice of Disciplinary Action according to the qualifications set forth in rule 12.6 above. A written Notice of Appeal, in a form acceptable to the Human Resources Director, must be filed with and received by the Human Resources Director within five (5) working days from the effective date of the disciplinary action as stated in the Notice. Failure to file a Notice of Appeal within this specified time period shall be deemed a waiver of any right to appeal the action taken. No exceptions to this failure-to-file time period will be permitted.

The Notice of Appeal must state:

- The reasons for the appeal
- The type of hearing requested.
- The name of the employee's representative, if any.

Following receipt of a Notice of Appeal, the Human Resources Director shall immediately furnish copies of same, including any other relevant documents, to County Counsel.

A. Statement of Charges - Preparation

Within fifteen (15) calendar days after the receipt of the Notice of Appeal, the County Counsel's Office shall prepare, and file with the Human Resources Director, a Statement of Charges. Such statement shall specify the Rules which the employee is alleged to have violated, and the acts or omissions with which the employee is charged.

B. Statement of Charges - Issuance

Upon the filing of the Statement of Charges, County Counsel shall either cause a copy thereof to be delivered to the employee personally, or sent to the employee by certified or registered mail at the last known mailing address of the employee on file in the Human Resources & Development Department. Included with the Statement of Charges shall be a form entitled "Notice of Defense" which, when completed, signed by or on behalf of the employee, and returned to the Human Resources & Development Department, will acknowledge service of the Statement of Charges.

C. Notice of Defense

Within fifteen (15) calendar days after service upon the employee of the Statement of Charges, an employee may file with the Human Resources Director a Notice of Defense in which the employee may:

1. Request a hearing. If the employee requests a hearing the employee must indicate their estimation for the length of time necessary to present their case.
2. Object to the Statement of Charges on the ground that it does not state acts or omissions upon which the Appointing Authority may proceed.
3. Object to the form of the Statement of Charges on the ground that it is so

PERSONNEL RULES

indefinite or uncertain that the employee cannot identify the transaction or prepare a defense.

4. Admit the Statement of Charges in whole, or in part.
5. Present new matter by way of defense. No exceptions to the time period provided herein shall be permitted.
6. The Notice of Defense must specify every defense that the employee intends to rely upon. The employee shall be bound by the Notice of Defense and may not change the Notice of Defense unless revised as provided for herein. At any time prior to the submission of the matter to the hearing officer, the appellant may amend the Notice of Defense. Such right to amend shall include the right to amend according to proof at the hearing. All parties shall be given written notice thereof, except when the amendment is made according to proof at the hearing. If the amendment presents new matter, the Appointing Authority shall be afforded a reasonable opportunity by the hearing officer to prepare a response thereto.
7. The employee shall be entitled to a hearing on the merits of the charges if the employee files a Notice of Defense, and any such notice shall be deemed a specific denial of all parts of the accusation not expressly admitted. Failure to file a Notice of Defense shall constitute a waiver of the employee's right to a hearing. Unless objection is taken as provided in paragraph (3) of the above subsection 12.7 C 6 all objections to the form of the Statement of Charges shall be deemed waived.
8. The Notice of Defense shall be in writing, signed by, or on behalf of, the employee and shall state the employee's mailing address.

12.8 **TYPES OF HEARINGS**

Only one type of hearing (Hearing Panel or ALJ) may be selected for any one Disciplinary Action. The selection of the type of hearing is final and binding. Absence of a request for a particular type of hearing will be deemed a non-revocable election to have the appeal heard by a Hearing Panel.

A. Hearing Panel

By selecting this type of hearing, the employee agrees to promptly identify the person he/she selects to be a Hearing Panel member and agrees to cooperate to schedule a hearing within the time guidelines pertaining, and agrees to comply with the pre-hearing conference procedures, including identification of witnesses and exchange of evidence.

1. The Disciplinary Action will be reviewed by the Hearing Panel consisting of one County employee selected by the appellant, one person selected by the department and one person appointed by the Board of Supervisors. No panel member may be otherwise involved in the appeal nor may they be a witness to the facts underlying the action.
2. The Board appointed member shall chair the committee and shall be the

PERSONNEL RULES

hearing officer as set forth in Section III above. If the Board appointed member is not an attorney, the Board shall also appoint a legal advisor who will advise the committee chair on the admissibility of evidence.

3. Failure on the part of the County or the appellant to appear before the Hearing Panel, without good cause as determined by the Panel Chairman, shall result in forfeiture of the case.

I. Procedures for Conduct of the Panel Hearing

The hearing shall be open to the public only if the employee so requests. The employee shall be present in person at the hearing and may be represented by counsel and/or by a representative of an employee organization of which the employee is a member. The employee's department may be represented by counsel and/or have a lay representative present throughout the hearing.

Pre-Hearing Conference: At the pre-hearing conference, the parties shall be required to meet in good faith:

- a) to discuss possible resolutions to the appeal.
- b) to attempt to narrow the issues and facilitate the hearing of the appeal by stipulations to facts, issues and evidence.
- c) to exchange all relevant information, documents, exhibits, and evidence, including identification of witnesses, brief descriptions or summaries of anticipated testimony, copies of specific provisions and/or rules, policies relevant to the charges.
- d) to provide to the other party a written statement of their positions on the issues and facts involved.
- e) the parties may agree to present certain evidence by affidavit. Such evidence may not, however, be presented without the agreement of both parties.
- f) At the conclusion of the pre-hearing conference the parties shall both sign a Pre-Hearing Conference Statement consisting of a summary of what was agreed to and exchanged, with the exchanged documents and position statements of each attached, and that document shall be submitted to the Hearing Panel at or prior to the time of the hearing.

II. Setting the Hearing

Upon receipt of the Notice of Defense, the County shall:

Contact the members selected for the panel and ascertain presently available dates when the panel members might

PERSONNEL RULES

be available to conduct a formal disciplinary hearing pursuant to these Rules and shall notify the employee of such dates, and of the dates on which the County's representative will be available for the hearing.

III. Procedures for Conduct of the Panel Hearing

- a) Although it is the employee who is appealing the disciplinary decision, the burden of proof is on the appointing authority regarding the facts upon which the discipline was based and the correctness of the penalty imposed.
- b) Appellant's failure to appear at the hearing, or failure on more than one occasion to cooperate with the scheduling of the hearing, the pre-hearing conference procedures, or to abide by the hearing processes necessary to enable the matter to be timely heard, without good cause as determined by the Panel Chairman, shall result in forfeiture of the case or be deemed an abandonment of the appeal.

The County will provide written notice to the employee and his/her representative upon the first incidence of failure to cooperate. If, within five workdays, the employee fails to correct the problem that triggered the notice, such failure shall be deemed a separate incidence of failure to cooperate.

- c) The hearing will be closed to the public unless the employee requests in writing that it be open to the public. Notwithstanding, where a hearing is open, either party may request that the Chair close portions of the hearing where sensitive or confidential or sensational material may be presented or discussed.
- d) All witnesses who are not parties may be excluded from the hearing by the hearing officer except when testifying. If the employee does not testify in his or her own behalf, the employee may be called and examined as an adverse witness. All testimony shall be taken under oath or affirmation.
- e) The hearing is not required to be conducted according to technical rules relating to evidence and witnesses. Any evidence upon which reasonable persons might rely in the conduct of their everyday affairs may be admitted. Subject to the provisions herein regarding pre-hearing conferences, any relevant evidence shall be admitted if it is the sort of evidence which responsible persons are accustomed to rely upon in the conduct of serious affairs. Hearsay evidence may be used only for the purpose of explaining or supplementing other evidence, or where

PERSONNEL RULES

otherwise corroborated. Persons who provide direct testimony may be called by the other party for cross examination under oath. Cross examination shall be limited to those areas covered in their prior testimony, unless the Panel Chairman permits otherwise. The Panel Chairman controls which evidence is admitted, and may exclude evidence which is irrelevant, cumulative or otherwise found to be not probative.

- f) The proponent of any evidence is responsible to obtain and present clean and legible evidence in sufficient copies for all parties, including the hearing panel members and for the court reporter.
- g) The Panel Chairman may take official notice of any matter which may be judicially noticed.
- h) Each party shall have the right to subpoena witnesses. The Board of Supervisors will, on request, issue in blank subpoenas.
- i) Except for rebuttal testimony, modification of position statements or newly discovered facts, documents of witnesses, or information not shared at the pre-hearing conference shall not be presented to or considered by the Hearing Panel. The Chairman of the Panel may, but is not required to, modify this provision and permit such evidence for good cause and in a manner which is fair to both parties.
- j) All testimony is to be taken under oath or affirmation. A certified Court Reporter shall record all testimony
- k) The County Administrative Officer may promulgate such additional hearing procedures as he/she deems necessary.
- l) The Panel Chairman shall be responsible for preparing and issuing the written decision of the Panel. During the process of producing the Panel's written decision the Panel chairman may be assisted by counsel appointed by the Board of Supervisors.
- m) The decision of the Hearing Panel shall be by majority vote and shall be made in writing within thirty (30) calendar days after the hearing of the matter is concluded. The decision of the Hearing Panel shall be made in writing and is final and binding on all parties.
- n) The decision shall be signed by the Chair, who shall provide a copy of Notice of Decision to the employee, the employee's representative, if any, to the employing

PERSONNEL RULES

department, and to County Counsel. That notice shall recite that the time within which judicial review of the decision must be sought is governed by the provisions of Code of Civil Procedure section 1094.6.

B. Administrative Law Judge

The following procedures apply to hearings before an ALJ:

1. Hearings before an Administrative Law Judge (ALJ) may be delayed up to six to nine months or more due to the schedule of the ALJ. An employee selecting this type hearing waives all claims to back pay for any period beyond sixty calendar days which is the time period in which a Hearing Panel would have been convened.
2. Contact the State Office of Administrative Hearings and ascertain presently available dates when a Hearing Officer might be available to conduct a formal disciplinary hearing pursuant to these Rules and shall notify the employee of such dates, and of the dates on which the County's representative will be available for the hearing
3. The employee shall then deliver to County Counsel, within (10) calendar days, the employee's choice of the available dates for the hearing. Such dates shall not be inconsistent with the dates provided by the County or indicated to be available by the Office of Administrative Hearings. The employee shall concurrently provide notice of the name and address of any party who might be representing the employee at the hearing.
4. County Counsel shall thereafter give the employee notice of the time, date, and place of the hearing. Said notice shall either be delivered to the employee personally or sent to the employee by certified or registered mail, at the last known mailing address of the employee on file in the Human Resources & Development Department.
5. Should the employee fail to provide a written list of available dates within the time lines indicated above, the appeal shall be dismissed.

Additionally, the following procedures apply:

- a) The County will obtain from the OAH a list of consecutive dates on which ALJ's are available to hear an appeal of the estimated duration. The hearing will then be scheduled, from the OAH list of available dates, on a date or dates when all parties and their representatives are available.

14.7 DEPARTMENT OBLIGATION AND RESPONSIBILITY

Every department has an obligation to assure that the work environment is free from all types of unlawful discrimination—including sexual harassment. Prevention is the best tool. Prompt, appropriate action may help to avoid, or at least minimize, the incidence of discrimination or sexual harassment.

By law, department heads, other managers and supervisors may be held responsible for the actions of their employees. Department heads must ensure that employees, supervisors and managers are aware of the County's policy. Supervisory training and employee orientation programs should include information about the County's nondiscrimination/ sexual harassment policy. This policy will be distributed to all employees annually with each employee signing an acknowledgment of receipt and understanding of the requirements of the policy.

14.8 EMPLOYEE ACTION

Many persons are not aware that their behavior is offensive or potentially discriminatory or harassing. Often simply advising someone of the offensive nature of their behavior will resolve the problem. Whenever possible, employees should inform the discriminator/harasser that his or her behavior is unwelcome, offensive, in poor taste or highly inappropriate. If this does not resolve the concern or if an employee feels threatened, or has difficulty expressing his or her concern and therefore does not feel comfortable confronting the discriminator/harasser, the complaint procedure should be used.

14.9 COMPLAINT PROCEDURE

The complaint procedure has been determined as the most appropriate means for registering a complaint of discrimination or sexual harassment to insure an appropriate and timely investigation and resolution. Complainants pursuing other methods will be redirected to this procedure.

Nevertheless, Department Heads, other managers and supervisors have a legal obligation to effectively deal with any and all reported or observed incidents that may constitute sexual harassment or discrimination whether or not a complaint has been registered through the appropriate procedure.

14.9.1 Managers and Supervisors shall:

The Board of Supervisors may designate some classifications to serve a probationary period of up to twenty-six (26) pay periods. Two pay periods before the end of the probation period, the Department Head shall file with the Human Resources Director a statement of performance in writing to the effect that the retention of such employee is desired or undesired. If a performance statement is filed indicating that retention is not desired, the process to effect termination of the employee's employment shall be immediately initiated. A performance statement affirming the desirability of retaining a probationary employee shall be required to effect the regular appointment of the employee. An employee will be considered to have obtained regular status upon completion of the probationary period designated for the job classification.

18.1.3 Rejection of Probationer

During the probationary period, an employee may be rejected at any time when, in the opinion of the Appointing Authority, the employee's performance is at a level that is not reasonable and consistent with the knowledge, skills, abilities and other characteristics necessary for fully satisfactory performance in the employee's position. Said rejection shall be without the right of appeal or grievance except, however, that such employee may request an informal review by the Human Resources Director or designee. Notification of rejection in writing shall be served on the probationer and a copy filed with the Human Resources Director.

The department shall confidentially document the work related reasons why the employee's performance was not reasonable and consistent with the knowledge, skills, abilities and other characteristics necessary for fully satisfactory performance in the employee's position. This documentation is for the purpose of auditing by the Human Resources & Development Department to ensure the rejection was for a legitimate work related reason and not for an illegal reason such as discrimination as is proscribed in current law.

Said documentation, including drop files, shall be placed in the employee's official personnel file once the employee has been notified that they have failed probation and shall be retained until any applicable statute of limitations has expired.

18.1.4 Rejection Following Promotion

If a former employee seeks reinstatement after a separation of more than five (5) years, reinstatement will be denied.
